EXCISE

611.86A/3-1457

Found Suwayil fully informed on my audiences Riyadh March 2 and 3 accounts of which he said he had read with much interest and satisfaction. He expressed deep appreciation for manner in which USG was keeping SAG informed, for reception King in Washington, and for our stand re Israeli withdrawal. Reflecting present general euphoria Saudi-American relations noted in Riyadh, he reminded we are neighbors not only in spirit but in geography (speaking of his home near compound) and urged me avoid formalities and visit any time at his home or office.
